Thank you to all my volunteers! I could not run this show without you. Your time and helped is appreciated. Thank you to all the new dancers and families for joining us this year and hope you remain with the CT Dance Hub family for many years to come. A big thank you to my returning dancers and families. You all make CT Dance Hub the best it can be, and we have the best dance family because of you. I am grateful for all of you and am looking forward to next year. Big shout out to my husband for putting up with my crazy busy lifestyle and to my teacher, Miss Juli for everything you do for the kids and studio.

Have a wonderful summer and hope to see you back in the fall!
